

**QUICK SERVICE IN
REAL TIME**

ABOUT US

With over two decades of experience, Combat has established a solid reputation as an expert in infrastructure and engineering services. We offer a comprehensive range of services, including:

- **Road Services:** Expert road construction, asphalt reinstatement, custom asphalt solutions, precision road marking.
- **Pipeline Solutions:** Pipe laying and rectification, pipeline plugging, network installations, internal patching and lamination, valve services.
- **Civil Works:** Interlock installation, kerbstone installation, construction of manholes/chambers, plastering services, masonry works, carpentry services, painting services, flooring solutions, partitioning services.
- **MEP Services:** Electrical solutions including solar installations and maintenance, lighting solutions, cable laying and pulling, DB panel installation, AC and HVAC works, plumbing and sanitary works.

Look no further for all your technical service needs. Combat is committed to delivering exceptional service and unwavering quality in every project we undertake.

We are the pioneers in industry.

At **COMBAT**, we prioritize our clients' needs by first listening intently to their requirements before proposing a customized solution that satisfies their unique needs. Our team's unwavering commitment, teamwork, and craftsmanship are evident in every project we undertake. These values have helped solidify our position as the preferred partner of many major clients.

COMBAT has plans to expand both geographically and functionally in the near future. This will involve expanding the key divisions, restructuring business functions, and expanding its already-massive infrastructure facilities. Our aim is to bring **COMBAT**'s value proposition to more clients and boost our growth potential.

CORE VALUES

Client-Centric Approach: We place our clients at the heart of everything we do. By actively listening and understanding their unique needs, we design and deliver customized solutions that exceed expectations. Our success is built on long-term partnerships grounded in trust, transparency, and responsiveness.

Integrity and Accountability: We conduct business with honesty, fairness, and a deep sense of responsibility. We honor our commitments, own our results, and hold ourselves accountable for the promises we make—internally and to our clients and partners.

Teamwork and Collaboration: Our success is built on collaboration—with our teams and with our clients, partners, and stakeholders. We value diverse perspectives, support each other, and work as one cohesive unit to deliver complex projects with seamless coordination.

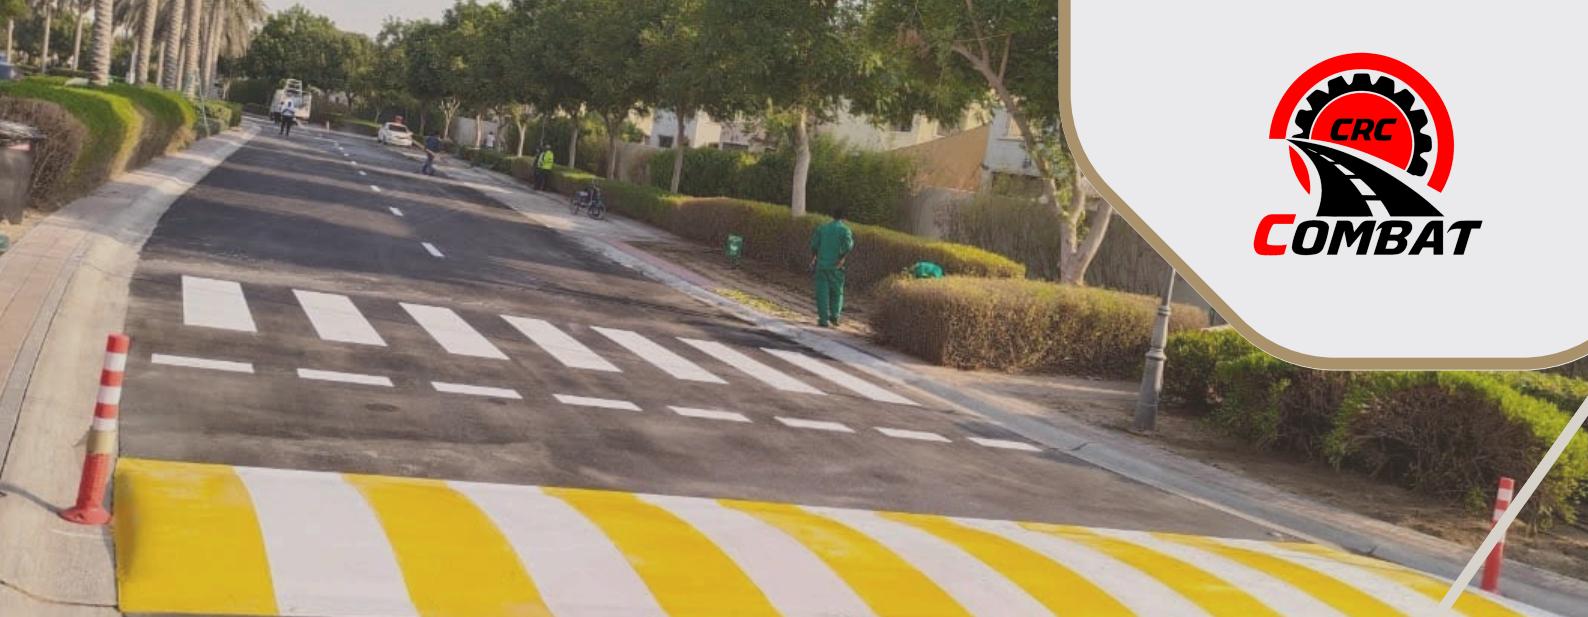

Continuous Growth and Learning: We believe in the power of personal and professional development. By fostering a culture of continuous improvement, training, and learning, we empower our people to reach their full potential and drive the company forward.

Our Mission

At **COMBAT**, our mission is to deliver reliable, innovative, and high-quality infrastructure and engineering solutions tailored to meet our clients' specific needs. We are committed to excellence, integrity, and sustainability in every project we undertake, driven by our experienced team, cutting-edge practices, and an unwavering focus on client satisfaction.

Our Vision

To be a leading force in the infrastructure and engineering industry, recognized for our quality, innovation, and customer-first approach. We envision expanding **COMBAT**'s footprint across regions and sectors, becoming the preferred partner for complex technical services, and contributing meaningfully to the development of smart, sustainable communities worldwide.

Comprehensive Road Services

Expert Road Construction

- **Specialized Services:** Durable, high-quality road construction.
- **Asphalt Reinstatement:** Restoring asphalt surfaces for enhanced road integrity and safety.
- **Custom Asphalt Solutions:** Tailored modifications to meet unique project requirements.
- **Precision Road Marking:** Accurate, durable markings for clear and safe traffic management.

Comprehensive Pipeline Solutions

Pipe Laying and Rectification

- **Expertise in Installation and Repair:**

- GRPE (Glass Reinforced Polyethylene)
- GRE (Glass Reinforced Epoxy)
- HDPE (High-Density Polyethylene)
- UPVC (Unplasticized Polyvinyl Chloride) High Pressure
- Ductile Iron
- Mild Steel
- Cast Iron
- Asbestos Cement

Comprehensive Pipeline Solutions

Specialized Services

- **Pipeline Plugging:** Advanced techniques for sealing and plugging pipelines.
- **Network Installations:**
 - Irrigation networks
 - Sewerage lines
 - Storm water lines
 - Drainage lines
 - Chiller lines
- **Internal Patching and Lamination:** High-quality internal repairs and lamination work for pipeline integrity.
- **Valve Services:** Comprehensive servicing and replacement of all types of valves.

Civil Engineering Services

Specialized Services

- **Interlock Installation**
- **Kerbstone Installation**
- **Construction of Manholes/Chambers**
- **Plastering Services**
- **Masonry Works**
 - Block Work
 - Floor and Wall Tiling
 - Interior Fit-out
- **Carpentry Services**
 - Interior Carpentry Works
- **Painting Services**
 - Interior and Exterior Painting
- **Flooring Solutions**
 - Tile Installation
 - Flooring Installation
- **Partitioning Services**
 - Civil Partition Works

Comprehensive MEP Services

Electrical Division

- **Solar Solutions:**

- Solar Street Lights Installation and Maintenance
- Solar Grid and Off-Grid System Installation and Maintenance
- Installation of Various Solar Structures (GI, Aluminum, SS, MS, etc.)

- **Lighting Solutions:**

- Installation of Various Lighting Solutions (Billboards, Flood Lights, etc.)
- Lighting and Fixture Installation

- **Cable Laying and Pulling:**

- HV and LV cables
- Trunking, wall-mounted, and hanging installations
- Cable Terminations

- **DB Panel Installation**

Comprehensive MEP Services

Specialized Services

- **AC Works:**
 - AC Installation and Maintenance
- **Plumbing and Sanitary Works**
 - Plumbing Installation and Maintenance
 - Sanitary System Installation and Maintenance

Our Clients

EMAAR

1st July 2022.

TO: Combat Technical Services L.L.C
SUBJECT: Appreciation.

Dear Yasim / Sulaiman,

We appreciate Combat Technical Services LLC for their professionalism in executing the critical sewage line rectification and Sunken Road reinstatement in Samara Community at Arabian Ranches II project during the year 2021.

Combat Technical Services LLC mobilized their team on short notice, completed job within the agreed time frame upholding the health, safety, quality, and environment standards.

We would like to take this opportunity to "Thank You "and look forward to working with you.

Yours sincerely,

Ibrahim Khalid

Supply Chain Manager
